Mauritius Hash House Harriers

"Red Dress Run & Party 2014"

Special Edition Hash Trash

On December 20 over 60 Hashers met to participate in a memorable Red Dress Run through the upper part of Bambous giving out Sweets, Footballs, School Jotters, etc—to the young children of the district.

After giving out all the goodies to the Children of Bambous we took the remaining sweets etc—to the local SOS Village for distribution there.

At the end of the Red Dress Run we had our usual Hash Circle (shortened version) and a few drinks before heading to the Manisa Hotel in Flic-En-Flac for our Red Dress Run Bash!

After a swim in the pool to cool down we enjoyed light snacks and the odd drink before settling down to a wonderful buffet and a few more drinks!

The GM presented raffle prizes and one Special Prize for the GM's Nominees for the "Hashers of the Year" Award—to Renald & Marianne for setting so many Hashes in the Year, their enthusiasm and for the Record of Setting the Longest Ever Hash in Mauritius. It took most of us between two and three hours to complete!
