The On..On.. was situated in the West Coast at the Entrance to the Yemen Hunting Estate On...On...

Welcome to Yemen! This was indeed a very unusual Hash—the Runner's Trail was marked with Flour as usual—but the Walker's Trail was marked with Lentils!!!

Our two Hares—"Can't Get It Up" and Vikash Explain the Trail then we are Off.....

The Walkers Exit Stage Left the Runners Stage Right!!

We were indeed lucky with the weather as we enjoyed our Trail mainly through the Sugar Cane Fields—with the occasional Red Lentil Circle to find the Correct Trail!!

Later in the Circle, Philidia would complain to the Hares for using a Valuable Food Source!!

When Are the "Walkers" NOT Walkers ..... ? When They RUN!!!
